Terms of Service — Rabbit Universe

Updated: 7-31-2026

Introduction

These Terms of Service ("Terms") govern your use of Rabbit Universe (the "Game"), developed and operated by VinceGames ("VinceGames", "we", "us", or "our"). By downloading, installing, or playing the Game, you agree to these Terms. If you do not agree, do not use the Game.

Ownership

VinceGames owns all rights, title, and interest in and to the Game, including all game content, characters, artwork, code, and design. Playing the Game grants you a limited, personal, non-transferable, revocable license to use the Game for your own entertainment. You do not own any part of the Game, its content, or any in-game items, currency, or progress — even those obtained through a purchase (see Purchases below).

Virtual Currency & Items

The Game contains virtual currency (including but not limited to coins and carrots) and virtual items (including but not limited to achievement rewards and cosmetic items) obtained through gameplay. These have no real-world monetary value, cannot be exchanged for real money or any other item of value, and cannot be transferred, sold, or traded outside the Game, whether obtained for free or through a purchase.

Purchases

The Game offers, or will offer, optional in-app purchases (such as boosts). All purchases are processed through the Apple App Store or Google Play Store and are subject to their respective payment terms and refund policies — VinceGames does not directly process payments or issue refunds, except where required to do so by Apple's or Google's own policies. All purchases are final. If you are under the age of majority in your jurisdiction, you must have your parent or guardian's permission before making any purchase.

Account & Conduct

We may suspend or terminate your access to the Game, including deletion of your saved progress, at our discretion, if we believe you have cheated, exploited a bug for unfair advantage, engaged in abusive behavior toward other players or VinceGames, or otherwise violated these Terms.

Service Availability

VinceGames may modify, update, suspend, or discontinue the Game or any of its features (including online services such as the leaderboard) at any time, with or without notice. We do not guarantee the Game or any of its features will be available permanently or uninterrupted.

Disclaimer of Warranties

The Game is provided "as is" and "as available," without warranties of any kind, express or implied. VinceGames does not guarantee the Game will be error-free, secure, or uninterrupted.

Limitation of Liability

To the fullest extent permitted by law, VinceGames shall not be liable for any indirect, incidental, or consequential damages arising from your use of, or inability to use, the Game.

Age Requirement

If you are under the age of 18, you must obtain your parent's permission to play the Game or use any of its online services. If you are under the age of 16 in Europe or under 13 elsewhere, you are not permitted to use any of the Game's online services. The Game is not designed for children under the age of 13, and we do not knowingly market to, or collect, use, or disclose information from, children.

Governing Law

These Terms are governed by applicable law, without regard to conflict of law principles.

Changes to These Terms

We may update these Terms from time to time. Continued use of the Game after any changes constitutes your acceptance of the updated Terms.
